Nurses – Educational Activity I Contact Hours Now Awarded for SHARP Self-study Course “Sexual Partner Counseling and Referral”

Naval Medical Education and Training Command has awarded 1.8 Educational Activity 1 contact hours for nurses who complete the SHARP Self-study course “Sexual Partner Counseling and Referral - Information for Navy Health Care Providers”. This course provides detailed guidance for working with STD-infected patients to bring their sexual partners to treatment. The course may be ordered in hardcopy from SHARP or be downloaded from the sharp website at <http://www-nehc.med.navy.mil/downloads/hp/pcrs.pdf>.
